

## STREETS

1. Whenever any sidewalk has been broken or otherwise injured in consequence of the erection of any buildings or any repairs to a building, the superintendent of streets may serve a notice in writing upon the owner of such building requiring him to repair such injury within forty-eight hours from service of the notice; and if the owner fails to make such repairs within such time, the superintendent may cause the same to be done at the expense of the owner and the cost thereof may be recovered by the Town by action.

2. No person shall dump, unload, deposit or move any coal or heavy article upon any concrete or asphalt sidewalk, unless such sidewalk has been first protected by boards not less than one inch thick, and placed close together over the surface where such coal or heavy article is to be deposited.

3. No person shall distribute any hand bills or other papers by scattering the same on any street.

4. No person shall cart or transport in any way, on any street any sand, earth, dirt, manure, hay, snow or rubbish, or any loose fluid or semi-fluid in such a manner that any portion of the same be spilled or scattered on the street.

5. No person shall draw on any street any timber or other heavy article in such a way that the same, or any part thereof, drags on the street.

6. Every gate opening on any street shall be so constructed as not to swing outwards across such streets.

7. No person shall use any barbed wire for a fence along any street.

8. No owner of any building or premises shall permit water to be discharged or to escape or percolate therefrom otherwise than by a properly constructed drain or conduit discharging into a public sewer or into the gutter of the street.

9. No person shall slake, riddle, mix with sand, or otherwise prepare lime on any street except by permission in writing from the superintendent of streets.

10. No person shall, on any street, raise or hoist any goods into any door or window of any upper storey, or lower or throw down any goods from any such door or window without the permission of the superintendent of streets.

11. No person shall throw any shingles, boards, slates, sand, gravel, tar or other material whatsoever from any roof or scaffolding upon any street, but the same shall be lowered in chutes, or by tackle, or such safe manner as not to affect the safety and convenience of the public.
