

Councillor Simon Lawand is first and foremost, a husband to Sherrie Megeney Lawand and a proud father of Brittany and Nadia Lawand.

Simon's passion for Stellarton and Pictou County drove him to run for the 2014 bi-election and he has represented Ward 1 in Stellarton since then.

His community involvement extends from the Stellarton Fire Department, being Past President of the Rotary Club, soccer coaching, and member or previous member of many other different boards and committees.

He also has an extensive business and financial background from his current job and from owning his own family business together with his wife Sherrie.

Simon is most passionate about realizing the huge potential that resides in Stellarton and Pictou County; lots of work has been completed to rejuvenate the town in the years he has been on Council and a lot more work is still needed to accomplish his vision of living in the best place in NS. His relationship with his residents is most important to him and he always makes sure to follow-up on any issues brought to his attention.
