

Storm Emergency Plan (3 – 72 Hours)

The Stellarton Fire Department, in co-operation with the Town of Stellarton and EMO (Emergency Measures Organization) has developed a contingency plan in the event of an emergency lasting from 3 to 72 hours duration.

These emergencies are for, but not limited to, flooding, power outages, natural disasters, etc. This plan is to compliment the EMO (Emergency Measures Plan) which goes into effect after a 72 hour time frame.

The Stellarton Fire Hall, located at 8 Jubilee Avenue, is designed as an Emergency Shelter (Comfort Centre). We are equipped with a back-up generator for power, an elevator, located at the rear of the building for wheelchair access, heat, water, and kitchen facilities.

- In the case of an emergency, residents can contact the Stellarton Police / Fire Dispatch at (902) 752-1111.
- Dispatch will contact Chief Mike O’Sullivan (902) 754-6999.

Deputy Chief Mike Brophy (902) 759 - 8577

- They will arrange for opening of the Fire Hall.
- If needed, arrangements may be made for pick up.
- The fire crew on duty for that week will be available to assist with tea, coffee, light snacks, etc.
- More substantial food can be brought in for longer stays, i.e., after 72 hours duration, and the cost will be covered by the Town.
- If the stay is going to be over-night, we are equipped with air mattresses and blankets for your comfort.

Any questions or concerns that you may have can be directed to:

Chief Mike O’Sullivan – Home (902) 752-8854 Cell (902) 754 - 6999
